INSTRUCTIONS FOR REGISTRATION

Registration will be **Tuesday, December 6, 2011 from 8 A.M. to 7 P.M.** and **Friday, December 9, 2011 from 8 A.M. to 7 P. M.** Because of the large number of people who will be registering, we are requesting that those of you who do not have federal loans and wish to pay in cash, pay by personal check or by bank check. There will be a \$50 late registration fee for anyone who registers after December 9th, 2011 and a \$100 late registration fee for anyone who registers once classes have begun unless you have received prior approval from the Dean. I.D. pictures will be taken at registration for anyone who does not already have an MSL ID card.

Classes begin on Tuesday, January 17, 2012 for upperclassmen and Wednesday, January 18, 2012 for first year students.

If you will be registering for a friend, please keep in mind that you may register only one person for a class which has a limited enrollment. Thus, if you wish to register yourself for that class, you may not register anyone else for that class.

If you do not participate in the financial aid program and wish to pay all of your tuition at registration, your one-time tuition payment is \$499.66 times the number of credit hours. Thus, students who take 15 credit hours will pay \$7,494.90 in tuition. Students who take 12 credit hours will pay \$5,995.92 in tuition.

As said above, if you are not participating in the financial aid program, you may pay for your entire tuition at registration. Or, as said in the catalog, if you do not have a loan, you may choose to pay in one of the following ways: you may pay one half your tuition at registration and the rest in one month, with a \$20 carrying charge. Or you can choose an installment plan under which you pay (a) one-fourth the tuition at registration, and (b) installments of one-fourth the tuition every thirty days thereafter until payment is complete, with interest at 1% over the bank rate charged the school.

So that you do not take, and therefore pay for, more than the 90 credits required for graduation, you may take and pay for one course for a fewer number of credits than it is listed for (i.e., you may take a 3-credit course for 2 credits and pay for 2 credits. You will, however, be required to do 3 credits worth of work for the class.) This applies only to elective courses. All required courses must be taken for the stipulated number of credits. You will need to indicate the exact number of credits you are taking at registration. Once you have registered for a class you may not go back and decrease the number of credits for that class.

The bookstore will be open on December 6, 2011 as well as December 9, 2011. Since you must have your books for the first day of class, plan on buying them either through the MSL bookstore, on-line or through the Student Bar Association if you're interested in used books. Case books are on reserve in the library if you find yourself without a required text.
