Lawyers lead Congress, our statehouses, and our businesses. Lawyers are the leaders of our society, defenders of our Constitution, and agents of change.

Lawyers have helped to make our lives safer, and have even helped us live longer. Babies no longer suffocate when their heads get stuck between the rails of their cribs, cars do not explode as often when gas tanks rupture on impact,

and women no longer risk death or sterilization because of unsafe birth control devices. We are all free to live our lives as we see fit -- not as others demand. Thank a lawyer.

The vast majority of lawyers serve their profession, country and clients well. At MSLAW, we encourage our graduates to not simply follow, but lead. Our graduates aspire to the highest levels of professionalism and civility and to speak forcefully and courageously for those whose voices would not otherwise be heard. We strongly believe it is our

responsibility to the legal profession to educate law students appropriately so they can play the vital role our society expects of them.

It has been said that to those who have “been given much, much will be demanded; and from the one who has been entrusted with much, much more will be asked.” This is especially true of those entering the legal profession. Presidents, paupers, and people from all walks of life turn to lawyers with their darkest secrets and most troubling problems when those matters are simply too much to bear. A good legal education helps to develop the intellect, skills,

and confidence to boldly address these problems. The courage to defend the indefensible comes from within and through great preparation and education. A good legal education must instill the wisdom and skills to adequately view and solve the problems that clients face.

At MSLAW, we look to develop the lawyer who is a skilled advocate, proficient partner, and trusted expert. A lawyer should be a sage advisor, strategist, and wise counselor. Law schools should develop those skills in its students. Abraham Lincoln said, “As a peacemaker the lawyer has a superior opportunity of being a good man.” At MSLAW, you will learn how to pursue accommodation and compromise while practicing principled professional behavior. You will learn litigation and other adversarial strategies but not at the expense of a fair compromise or justice.

I have had the honor of being a member of the legal profession for over thirty years. Practicing law for over thirty years has provided me opportunities both professional and personal that are beyond compare and expectation. Enter the legal profession for the right reasons, remember that service to others is a lawyer’s first responsibility, never

forget the path that led you to this profession and you--like those whose footsteps you follow-- will be a great lawyer. Enjoy the journey.

Our community of academics, practicing professionals, judges, and experts welcomes you to this honorable profession. We encourage you to claim your place in the next generation of great lawyers and leaders.

ACCREDITATION AND BAR ELIGIBILITY

After it began operation in August 1988, Massachusetts School of Law at Andover sought approval from the Massachusetts Board of Regents. The Regents authorized Massachusetts School of Law to grant the degree of Juris Doctor in May 1990, only twenty-one months after the school opened its doors. Because of the Regents' approval, MSLAW graduates are eligible to take the state bar examination and, upon passage, to be admitted to the bar in Massachusetts. In December, 1997, the New England Association of Schools & Colleges (now the New England Commission of Higher Education) awarded accreditation to the Massachusetts School of Law.

MSLAW students are eligible to take the bar immediately upon graduation in Massachusetts and in Connecticut. After passing the primary jurisdiction, they are immediately eligible to take the bar exam in New Hampshire, Maine, Wisconsin, and California. In addition, there are a number of jurisdictions where MSLAW graduates are eligible to take the bar after practicing for the period of time listed below.

Jurisdictions where MSLAW graduates may be admitted to the bar:

Alaska	5 years
Arizona	3 years
California	Immediately after passing the Massachusetts Bar Exam
Colorado	3 Years
Connecticut	Immediately
Florida	10 Years
Hawaii	5 Years
Kentucky	3 Years
Maine	Immediately after passing the Massachusetts Bar exam
Maryland	MSLAW students have received individual permission after admission in Massachusetts.
Massachusetts	Immediately
Michigan	MSLAW graduates have received individual permission from the Board
Minnesota	5 Years
Missouri	3 Years
Nebraska	May petition the Nebraska Supreme Court to request permission to sit for the NE Bar exam
Nevada	10 Years
New Hampshire	Immediately after passing bar of primary jurisdiction or may be waived in via motion after 5 years
New Mexico	4 Years
New York	5 Years
North Carolina	Immediately after passing the MA Bar Exam
Oregon	3 Years
Pennsylvania	5 Years
Puerto Rico	State license + court approval
Rhode Island	5 Years
Texas	3 Years
Utah	10 Years
Vermont	MSLAW graduates may request an equivalency determination from the Board of Bar Examiners. The Board's decision is in the form of a recommendation to the Supreme Court.
Washington	LLM from ABA-approved school
West Virginia	By individual petition to the "Substantially Equivalent Committee"
Wisconsin	Immediately after passing the Massachusetts Bar Exam

This list is not exhaustive, and because states sometimes change rules regarding admission requirements to the bar, you should contact the bar authorities in the jurisdiction that is of interest to you in order to receive the most up-to-date rules.

FLEXIBLE DAY & EVENING PROGRAMS

Massachusetts School of Law offers both a three-year, full-time program of study, and a four-year, part-time program. Students may often attend either day or evening classes as they progress through the semester in order to accommodate their often unpredictable schedules.

Full-time students normally take fifteen credit hours per semester, while part-time students take eleven to twelve credit hours. Students may take no more than five courses per semester.

Any student who has completed at least two semesters, and has a grade point average of at least 2.7 in officially released grades, may take up to seventeen credit hours.

In their last semester, students may not take more than twelve credit hours.

FIRST-YEAR COURSES FULL-TIME STUDENTS

- Civil Procedure and Conflict Resolution
- Contracts
- Criminal Law
- Criminal Procedure
- Business Entities & Operations
- Torts
- Writing & Legal Reasoning
- Writing & Legal Research

PART-TIME STUDENTS

- Civil Procedure and Conflict Resolution
- Contracts
- Business Entities & Operations
- Torts
- Writing & Legal Reasoning
- Writing & Legal Research

REQUIRED COURSES

Required courses taken after the first year include:

- Constitutional Law (must be taken during the second year)
- Criminal Law (Part-Time Program)
- Criminal Procedure (Part-Time Program)
- Evidence (must be taken during the second year)
- Motions and Litigation Practice
- UCC
- Writing & Legal Advocacy
- Comparison of Massachusetts and National Law

Students who have not successfully completed all required courses (completing the course with a grade that is not an "F") PRIOR to beginning Comparison will not be allowed to register for, or take, Comparison. Students who have not passed the MPRE and submitted a copy of their official pass notification to the Registrar's Office prior to registration for Comparison, will not be allowed to register for, or take, Comparison. Additionally, students will not be allowed to register for Comparison if they have not successfully completed Bar Essay with a grade of C or better.

- Bar Essay Writing and Analysis

Beginning Spring 2019, ALL students will be required to take Bar Essay regardless of their GPA. Beginning Spring 2019, students may no longer take Bar Essay for Pass/Fail grades - every student will receive a letter grade. Students need a grade of C or better to pass Bar Essay. Students receiving anything less than a C must retake the course until they achieve a grade of C or better. Students who have not completed Bar Essay with a grade of C or better will not be allowed to register for Comparison.

Students who have not successfully completed the eight (8) required courses tested on the MBE - Civil Procedure, Constitutional Law, Contracts, Criminal Law, Criminal Procedure, Evidence, Real Property, and Torts - PRIOR to beginning Bar Essay will not be allowed to register for, or take Bar Essay.

- Legal Ethics/Professional Responsibility

Students will not receive a final grade in Legal Ethics until they pass the MPRE and give a copy of the official pass notification to the Registrar's Office. Until such a time, the grade of "I" (incomplete) will show on student transcripts (unless the Legal Ethics professor gives a student an "F" in the course irrespective of not having passed the MPRE, in which event the grade will be put on the transcript immediately). If an "I" is assigned, it will be changed to the grade the Legal Ethics professor gave the student once the student gives the pass notification to the Registrar's Office. An "I" in Legal Ethics is not a satisfactory completion of the course.

Once a student completes the actual course in Legal Ethics, s/he will have until the end of the next semester that the course is offered to deliver to the Registrar's Office a copy of a pass notification (currently, the following Spring semester). This allows the student to participate in three (3) MPRE administrations after completing Legal Ethics to achieve a final letter grade in the course. It also means that students who take the MPRE prior to completing Legal Ethics would have more than three (3) attempts at passing the MPRE. For more information on this policy, please visit www.mslaw.edu/student-guide.

Although not required, it is recommended that the following courses also be taken:

- Conveyancing
- Family Law
- Federal Income Tax
- Remedies
- Wills and Trusts

ACADEMIC PROGRAMS

CLINICAL LAW PROGRAM (3-6 credits)

The Clinical Law Program permits students who have completed at least 45 credit hours (and who have not been on academic probation for at least two semesters) to assist in the practice of law in a law firm or the district attorney's office under the supervision of a member of the bar.

The Clinical Law Program affords students the opportunity to begin the transition from law school to law practice, from learning to be a lawyer to being a lawyer. Students practice law under the close and supportive supervision of a member of the adjunct faculty, legal service office, or bar association. The practice in the clinic includes civil, criminal, domestic, administrative, or real property matters and may include supervised appearances before courts, administrative agencies, legislatures, and other boards. Students will be counselors, negotiators, advocates, and problem solvers for their clients. Students are required to meet regularly with the supervising attorneys to review the work that has been done and to plan the strategy to accomplish the client's purposes. In the classroom component, the clinical course students learn

the substantive and procedural law they must know to practice in the area of their special concentration, and they study the tasks of lawyering. In this setting, students explore the theory, practice, and ethics of interviewing, counseling, advocating, and the full range of lawyer tasks in which they are engaged. Through this personal experience, supervision and coursework, students have the opportunity to think reflectively about the legal profession, about their work as lawyers and about the role of lawyers in a just society.

JUDICIAL INTERNSHIP PROGRAM (3 or 6 credits)

Selected students work with Superior, District, and Probate Court judges in Massachusetts, researching and writing memoranda and decisions, and assisting judges during hearings and trials.

Prerequisites: 45 credits, Evidence, not on academic probation during the prior 2 semesters, a grade point average of at least 2.5, and certification under Rule 3.03.

REGISTRATION POLICIES

REGISTRATION REQUIREMENTS

Students are required to register in person each semester on one of the two registration dates. Dates are scheduled on the online Academic Calendar and are also posted in the school cafe prior to registration each semester.

Electronic Registration

Starting the week before the regularly scheduled registration days, students who wish to reserve a spot for a class with limited enrollment may, beginning at 8 a.m., email the school (classregistration@msslaw.edu) the class they wish to register for with one email per each class with limited enrollment. Students with 60-90 credits at the end of the previous semester may reserve a spot through email for their course with limited enrollment on the first two days, and students with 24-59 credits at the end of the previous semester may submit their email on the second set of days.

Late Registration Policy

A \$50.00 late registration fee is charged to students who register after the scheduled registration dates. A \$100.00 late registration fee is charged to students who register on or after the first scheduled class.

Proof of Health Insurance Coverage

Under Massachusetts law, health insurance coverage is required for all students taking at least 9 credits. A student must provide proof of coverage once a year.

Proof of Immunizations

Under Massachusetts law, immunization requirements apply to all undergraduate and graduate students, regardless of year of birth. In order to attend MSLAW, all undergraduate and graduate students are required to have:

- 1 TD booster within the last 10 years
- 2 doses of MMR vaccine (or 2 doses of a measles-containing vaccine and 1 dose each of mumps and rubella vaccine)
- 3 doses of hepatitis B vaccine are required for all full-time and part-time students.

- 2 doses of chicken pox (varicella) or proof you had the disease.

ADMINISTRATIVE POLICIES

Add/Drop Policy

Courses may be dropped without academic penalty during the first five weeks of a regular semester and during the first week of a summer semester. After that, a student who fails to complete a course will receive a failing grade or, with the prior permission of the Dean, an incomplete.

Courses may be added during the first week of classes (except summer classes). After the first week, a student must receive the permission of the Dean to add any course.

A course in which an incomplete is obtained during a regular or summer semester must be completed by the end of the next regular semester in which it is given or the student will receive a failing grade.

Leaves of Absence/Withdrawals

If a student withdraws from the law school and wishes to return in a future semester, the student must petition the Admissions Committee for readmission. Petitions for readmission are not guaranteed approval and all petitions for readmission are considered on an individual basis. Further, if a petition for readmission is granted, there is no guarantee that the school will allow the returning student to retain credits that were earned prior to the withdrawal, and the school may require students to retake certain courses. When considering a request for readmission, the Committee will seriously consider, inter alia, the amount of time that has elapsed since the student was matriculated and the grades the student received while attending MSLAW.

Summer Programs

The usual penalties and interest charges will apply to late payments, with a late registration fee of \$50 for those who register after the registration date for the first session and after the registration date for the second session. If you do not register prior to the start of the course that you wish to attend, you will not be permitted to enroll for that session.

You will receive a refund of 80% of your tuition if you withdraw from a class before the start of that class. No refunds will be given, however, to a student who registers for, but withdraws from, a course once the class has met. Courses may be dropped without academic penalty, however, during the first week of a summer semester.

Deferrals

Deferral forms for undergraduate loans are filled out by the Registrar. The Registrar will mail them directly to the loan service provider once completed.

Transcript Request Policy

Transcript requests must be written and submitted to the Registrar along with a \$5.00 check for each official transcript.

MASSACHUSETTS SCHOOL OF LAW

No transcript will be released to or for any student or alumnus with an outstanding obligation to MSLAW. Please allow up to 15 business days for processing the transcript request. Letters of Good Standing follow the same policy as transcript requests, but there is no fee.

ACADEMIC STANDING

Massachusetts School of Law at Andover utilizes a typical four-point system of grading. Therefore, an A counts four points, a B three points, a C two points, a D one point, and an F (or a failing grade) no points.

A student's grade is increased 3 tenths of a point for a plus (e.g., a B+ represents 3.30 points) and will be diminished 3 tenths of a point for a minus (e.g., a B- represents 2.70 points).

Students may make appointments with professors to review their exams. No grades are changed unless a mathematical error has been made. To ensure academic rigor, MSLAW, when necessary, requires professors to comply with a grading curve designed to make certain that high grades at MSLAW represent significant academic accomplishment.

Academic Probation

A student whose overall grade-point average falls below a two-point average is placed on academic probation for the next semester. Once on academic probation, a student is not eligible to take summer session classes. If the student was enrolled in such classes prior to the determination that he or she is on probation, the grades received in the class cannot be used to determine whether the student shall be removed from the probationary list.

Academic Suspension

If the student does not attain a two-point or better overall average at the end of that probationary semester, the student is not able to return to school thereafter.

Two F Rule

In addition, any student who receives a total of two or more F grades during his or her career at MSLAW is automatically dismissed from the program.

Readmission

Any student seeking readmission to MSLAW must submit a written petition to the school's Registrar. Such petitions are rarely granted.

Financial Aid & GPA

Students are required to have an overall grade point average of a 2.0 to maintain satisfactory academic progress. Students whose overall grade point average falls below 2.0 are placed on academic probation for the next semester and these students are ineligible to receive Federal Stafford Loans for that semester or any semester until the student is no longer on probation. A student may petition in writing to the Director of Financial Aid, Lynn Bowab, for an exception to this policy. Exceptions to this policy are granted on a case-by-case basis and only in extraordinary situations.

FACULTY ADVISORS

All students should meet with their faculty advisors for guidance in planning their curriculum. Students are given advisors based on their last name.

GRADUATION REQUIREMENTS

An overall 2.0 (C) average is required for graduation. A student must satisfactorily complete 90 credit hours to graduate. 58 credit hours must be in required courses. A student must pass both the MPRE (prior to registering for Comparison) and, the Comparison course (which is taken during his or her last semester). No credits are given for a failing grade. Graduation occurs only in January and June. A student will not be eligible to graduate unless the student's tuition is paid in full. No more than 12 credits may be taken in a student's last semester.

OVERVIEW

Massachusetts School of Law at Andover is unique because it does not use or place value on the traditional LSAT test used by other law schools to determine a potential law student's aptitude to succeed in law school. Instead, MSLAW uses its own personal interview and essay test to make this determination.

Specifically, MSLAW utilizes several factors to determine a potential student's aptitude:

- (1) undergraduate and/or graduate grades
- (2) employment and life experience
- (3) three letters of recommendation
- (4) a personal interview
- (5) an essay exam that is similar to most law school exams (MSLAT).

The Admissions Committee, on a case-by-case basis, examines all of these factors before any decisions are made.

ADMISSIONS PROCESS

In order to facilitate the application process, please make certain that you have completed every item on the application before submitting it to the Admissions Department so that review of your application is not delayed.

1. Application for Admission

The application for admission should be completed, signed, and submitted to the Admissions Department as soon as possible. You may make a request for application materials by email, phone, or you can download the application by visiting www.mslaw.edu and clicking on Admissions.

2. Personal Statement

Each applicant must submit a personal statement along with the application. The statement should contain information regarding any relevant factors that may not have been fully explained in the application form and that may assist the members of the Admissions Committee in their review of your application.

3. Application Fee

The \$40 application fee (check or money order payable to Massachusetts School of Law) must accompany the application form. The application fee is non-refundable and is not applied to tuition if you are accepted.

4. Three Letters of Recommendation

Recommendations should be sent directly to the Admissions Department. Federal law gives students in attendance at MSLAW the right to review letters of recommendation submitted on their behalf unless that right is waived. While applicants are not required to make such a waiver, they are advised that some people may not be willing to provide a recommendation in its absence. The letters of recommendation forms have a place to mark your preference. Please mark them before giving them to your recommenders. Any additional letters submitted on your behalf must contain this statement as to waiver.

5. Personal Interview

Each applicant must have a personal interview with the Admissions Department. The interview will be scheduled once you have submitted your application and transcripts. It will include questions regarding any relevant factors that may not have been fully explained in the application form and that may assist the members of the Admissions Committee in their review of your application.

6. MSLAT

All applicants must take the Massachusetts School of Law Aptitude Test (MSLAT). Applicants usually take the test on the same day they have their personal interview. MSLAW faculty members review the test and assess both technical and analytical skills. MSLAW also uses this test to determine if students meet the required English proficiency needed to begin their legal studies.

7. Official Transcripts

In order to be considered for admission to MSLAW an applicant must hold a U.S. Bachelor's degree or its equivalent. Transcripts from all undergraduate and graduate schools that the applicant has attended must be submitted to the Admissions Department. An applicant who received a degree from a college or university outside the United States must have his or her transcript evaluated by World Education Services (WES) or LSAC's Foreign Credential Services.

Because each law school's application is different, please be

ADMISSIONS

certain to read every item carefully. It is your responsibility to make sure that all statements made on the application are accurate and complete.

You are required to update us in writing about any changes that take place after you submit the application. Any failure to supply accurate, complete, or updated information may result in a withdrawal of any offer of admission or cancellation of registration, and may be a violation of Massachusetts School of Law Regulations Governing Students.

All materials submitted with or in support of an application become the property of MSLAW and are not returnable. An application is considered complete only when all of the materials have been received.

NO LSAT REQUIRED

Massachusetts School of Law interviews every applicant who wishes to attend the school. We believe the true measure of a person's capabilities to be a good lawyer cannot be measured solely by sterile statistical data, which can never measure drive, dedication, obstacles overcome, perseverance, and a good heart.

In some circumstances, there is a second interview with the entire Admissions Committee. The Committee also reviews an applicant's entire pertinent background, including all college grade-point averages, the specific courses in which an applicant did well or poorly in college, improvement over time in college, the possession of a graduate degree and the grades obtained in graduate school, and the nature of any experience and accomplishments in the work force.

Also, because of the considerable criticisms of the LSAT, Massachusetts School of Law does not consider the LSAT when making admissions decisions. Instead, it considers an essay test that the school itself has developed. The test is given at the time of the interview, and, most importantly, it is read and graded by a full-time MSLAW professor who, based upon years of practical and academic experience, is well qualified to assess an applicant's ability to think and write well. The requirement of a mandatory interview, the review of an applicant's entire record in school and the work force, and the essay aptitude test enable the Admissions Committee to identify worthy students who would be denied admission to traditional law schools simply because of their LSAT scores.

Once admitted to MSLAW, a student is required to pay a \$300 non-refundable seat deposit, which is applied to first year tuition.

TUITION & FEES

Tuition is \$795.00 per credit hour.

- Full-time students carry 15 credits per semester, for a total tuition of \$11,925 per semester (\$23,850 per year); part-time students carry either 11 or 12 credits per semester, for a total tuition of \$8,745 or \$9,540 per semester (for 12 credits, \$19,080 per year).
- When registering for the first semester at MSLAW, students are assessed a one-time non-refundable building fund charge of \$750.00.
- There are no fees other than tuition itself and the one-time charge for the building fund.

TRANSFER STUDENTS

A limited number of transfer students may be admitted each year depending on available space. The application procedure is the same as for first year students except that the transfer applicant must also submit law school grades. No admission decision will be made until the school receives grades from the previous law school. Additionally, to graduate from Massachusetts School of Law, a transfer student must complete at least 60 credit hours at Massachusetts School of Law.

TUITION PAYMENT PLAN

Payment Plans

There are various methods of paying tuition at MSLAW. A student can pay the entire tuition for the semester when registering for that semester. Alternatively, the student can pay fifty percent of the semester's tuition when registering, and the remaining fifty percent, plus a twenty dollar carrying charge, no later than thirty days thereafter.

Finally, a student may pay in four installments. Under this installment plan, twenty-five percent of a student's tuition for the semester must be paid at registration and additional pay-

ments of twenty-five percent must be paid at the end of each succeeding monthly period until the full amount of tuition has been paid. Interest on unpaid balances is charged at .88% per month. Students who receive loans processed through MSLAW are ineligible for installment payment plans.

Due Date for Payments

Payments are due on the 15th of each month. Bills are mailed to the students as a courtesy—failure to receive a bill does not mean payment is not due. All payments should be made by check given to the front office, or mailed to MSLAW at 500 Federal Street, Andover MA 01810 Attention: Accounting.

Third Party Authorization by Employer, VA Benefits, or a Prepaid Tuition Program

The Student is ultimately responsible for complete payment of their student tuition account, if any of the third party billing authorizations default. It is the student's responsibility to return unused monies- credit tuition balances are given directly to the student.

Employer: All authorizations and completed paperwork should be received prior to payment due date. All company authorizations must be on company letterhead and by the appropriate company representative.

Veterans Administration Benefits: The Massachusetts School of Law is approved to certify U.S Veterans for educational benefits through Chapter 30 Active Duty, Chapter 31 Vocational Rehabilitation, Chapter 32 Veterans Educational Assistance, Chapter 33 Post 9/11, Chapter 35 Survivor and Dependents, Chapter 1606 Selected Reserve and Chapter 1607 Reserve Educational Assistance. Students looking to use their VA benefits should first contact their local office to obtain their personal eligibility and a certificate of eligibility. MSLAW requires VA students looking to use their VA benefits to complete and submit, at each registration, an MSLAW Veteran's Verification Form to the Financial Aid Office for processing (these forms can be found outside the Financial Aid office or by contacting Lynn Bowab - [Bowab@msslw.edu](mailto:bowab@msslw.edu)), and a certificate of eligibility from the VA. A covered individual is any individual who is entitled to educational assistance under chapter 31, Vocational Rehabilitation and Employment, or chapter 33, Post-9/11 GI Bill benefits.

MSL permits any covered individual to attend or participate in the course of education during the period beginning on the date on which the individual provides to the educational institution a certificate of eligibility for entitlement to educational assistance under chapter 31 or 33 (a "certificate of eligibility" can also include a "Statement of Benefits" obtained from the Department of Veterans Affairs' (VA) website - eBenefits, or a VAF 28-1905 form for chapter 31 authorization purposes) and ending on the earlier of the following dates: The date on which payment from VA is made to the institution; 90 days after the date the institution certified tuition and fees following the receipt of the certificate of eligibility. MSL does not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or

the requirement that a covered individual borrow additional funds, on any covered individual because of the individual's inability to meet his or her financial obligations to the institution due to the delayed disbursement funding from VA under chapter 31 or 33. MSL billing adheres to the requirements of and comply with S2248 PL115-407 Section 103 (Please note: Students taking 15-12 credits is considered full-time, 11 credits to 7 credits is considered part time, 6 credits is considered half-time and students taking less than 6 credits is considered less than half time).

Interest on unpaid balances is charged at .88% per month.

Late Fees

After a short grace period, failure to make payments on time, unless previously authorized for sufficient cause by the Dean, results in a late payment penalty of \$50.00 for each week (or part thereof) that the installment is late.

Late Registration Policy

A \$50.00 late registration fee is charged to students who do not register on the assigned dates. A \$100.00 late registration fee is charged to students who register on or after the first scheduled class.

Suspension for Non-Payment

If a failure to pay tuition continues for two weeks, the student will be barred from classes and examinations until the payments are made. The school reserves the right to terminate the student's enrollment if the failure continues for two months.

Unless the Dean has authorized late payments upon a sufficient showing of cause, a student is not permitted to take final examinations if any of his or her installment payments are still unpaid at the time of the examinations. A student barred from examinations because of a failure to pay tuition will be treated as if he or she were deliberately absent from the examinations. No transcripts will be released for any student or MSLAW graduate who is in arrears on any amount owed to MSLAW.

Tuition Refunds

After registering, a student may withdraw from a course or from the program up until two weeks after the beginning of classes and will receive a refund of (or is not charged for) eighty percent of the tuition for that course. Students who withdraw subsequent to the two-week period cannot receive refunds (or remission of charges) except for sufficient cause as determined by the Dean.

Summer School Refunds

No refunds are given to a student who withdraws after summer session classes have begun.

Refunds for Academic Issues

Any student who has completed fifteen credits or fewer at the conclusion of the Fall semester shall be entitled to withdraw from MSLAW and receive full reimbursement (or credit) for the Spring semester's tuition if such student's grade point average as a result of Fall grades is below 1.70. Such student shall not be

required to withdraw from MSLAW. Any student eligible for this reimbursement and opting for withdrawal must notify the Registrar in writing no later than ten (10) days from the date Fall grades are mailed to students.

Any student who has completed fifteen credits or fewer at the conclusion of the Fall semester shall be entitled, if he or she wishes, to withdraw from MSLAW and receive reimbursement (or credit) equal to 80% of the Spring's semester tuition if such student's grade point average as a result of Fall grades is between a 1.70 and 1.99, inclusive. Such student shall not be required to withdraw from MSLAW. Any student eligible for this reimbursement must notify the Registrar in writing no later than ten (10) days from the date Fall grades are mailed to the students.

Such student shall not be required to withdraw from MSLAW unless he or she was on probation during the Fall semester. Any student eligible for this reimbursement must notify the registrar in writing no later than ten (10) days from the date Fall grades are mailed to the students.

2. Be a U.S. citizen or eligible non-citizen;
3. Not be in default on any loans;
4. Have a valid social security number or valid alien registration number; and
5. Maintain satisfactory academic progress (2.0 cumulative GPA).

Please note: the lifetime limit for these loans is \$138,500.

Unsubsidized Loans & Fees

- The maximum amount you may borrow is \$20,500 per academic year (August to May) if you qualify for the full amount.
- Fees of approximately 3% of the principal amount borrowed will be taken from the loan prior to disbursement.

Satisfactory Academic Progress Policy

In order for MSLAW students to receive Federal Student Financial Aid, they must be making satisfactory academic progress (SAP) in accordance with federal rules. Federal SAP rules are required to be the same as, or stricter than, the institution's academic progress rules.

FINANCIAL AID

Satisfactory academic progress must be maintained. Students are required to have a cumulative grade point average (CGPA) of 2.0 or better every semester to maintain satisfactory academic progress. Students whose CGPA falls below an overall average of 2.0 are placed on Academic Probation (AP) for the next full semester (Fall/Spring). Students on AP are ineligible to take summer classes, or receive Federal Stafford Loans.

When the official final grades are released from the semester that the student was on AP, and if the student brings his/her CGPA above 2.0, he/she will regain eligibility for that semester and can be retroactively funded. If a student becomes eligible again for Federal Direct Stafford Loans, in order to have his/her Federal Direct Stafford Loans disbursed, the student must have had a prior completed and approved Financial Aid Packet on record and meet all of MSLAW's other policies.

For more details on the appeals process, extenuating circumstances and termination of aid, visit mslaw.edu/loans.

FEDERAL PLUS LOANS FOR GRADUATE STUDENTS

Federal GRADPLUS loans, along with Stafford Loans, are part of a group of loan programs referred to as the Direct Lending Program.

MSLAW Students who will be attending school the entire academic year (Fall and Spring semesters) can borrow additional funds through the Federal GRADPLUS loan, if eligible. Students who will be enrolled during the Fall semester only are not eligible to receive a Federal GRADPLUS loan.

Interest Rates and Fees:

GRADPLUS interest rates are fixed at 7.6%/Stafford at 6.6%
Up to 3 percent origination fee
Up to 1 percent default fee

Borrower Eligibility: A student must be a graduate student enrolled at least half time in a degree-granting program. Graduate student or endorser must be a creditworthy U.S. citizen or eligible permanent resident; both must have a valid Social Security number.

GRADPLUS loan applications are completed once a year, usually by May for the next academic year. All financial aid requirements for the Stafford and Plus loans should be completed and handed in together.

HOW TO APPLY FOR FINANCIAL AID

The following materials are required to determine your eligibility and process your application:

1. Free Application for Federal Student Aid (FAFSA)

This form, after it has been processed, will generate a Student Aid Report. Your Student Aid Report holds all your financial aid history. This report is vital to the processing of your aid. Filing options: You may choose ONE of these three options:

- A. Apply online at www.FAFSA.gov (Recommended).
- B. Complete a PDF FAFSA and send by mail to the Department of Education for processing.
- C. Request a paper FAFSA by calling the Federal Student Aid Information Center at 1-800-433-3243.

The FAFSA form must be completed in its entirety. MSLAW's Title IV code is 032353. You will receive a Student Aid Report (SAR) which is the result of the FAFSA being filed. Please review your SAR and make any corrections that are warranted.

2. Master Promissory Note

A Master Promissory Note is required. If any information is missing, your financial aid packet can't be processed. Please visit the Department of Education's website to complete a Direct Lending Electronic MPN at www.studentloans.gov.

3. Entrance Counseling

Entrance counseling is extremely important. MSLAW is participating in entrance counseling via the Internet at the Department of Education's website at www.studentloans.gov. You must complete this requirement yearly. MSLAW wants to make available all the information you will need to make an informed decision regarding financial aid. MSLAW also offers one-on-one meetings with financial aid counselors when necessary.

4. Other Forms

MSLAW requires that first-year students submit several other forms, which we will provide: Budget Worksheet, MPN-2, Form # 3, and Master Promissory Note. MSLAW requires you to provide: a copy of driver's license, a copy of your social security card or a valid passport, and a copy of your alien registration card, if applicable.

5. Graduate Plus Loans

Graduate Plus Loans are available in the recommended amount of \$6,500.00 per year. NOTE: An additional Master Promissory Note and entrance session and creditworthiness is required to apply for this loan. To request funds over MSLAW's recommended GRADPLUS amount, a student may make an appeal to MSLAW indicating the amount on MSLAW's MPN2 form. See www.studentloans.gov; www.dlenote.ed.gov/empr/index.jsp.

6. Veterans

U.S. Veterans must submit MSLAW's Verification Form every semester in order to be eligible for V.A. Benefits.

DEFERMENT PROGRAM

For a small number of students who have demonstrated academic progress, and who have exhausted all other means of obtaining funding, (i.e., students must both have applied for and have established ineligibility for the Stafford Loan Programs and private educational funding). and can show a dearth of income and liquid assets, MSLAW may, in its discretion, defer tuition in whole or in part.

Students seeking such a deferral must complete MSLAW's deferral packet and provide tax returns, statement of net worth, and a monthly budget to the Director of Financial Aid, Lynn Bowab.

Any balance of deferred tuition must be paid after the student graduates. Upon the student's graduation, a schedule of payments and rate of interest are set by the school, and interest begins to be charged on the outstanding balance.

The schedule of payments will usually run for a period of five to ten years, depending on how much is owed. The rate of interest will be no greater than two percent over the prime rate at the time of the student's graduation.

FEDERAL REFUND POLICY

- If you withdraw from MSLAW, and your Stafford funds have not been received or applied to your tuition fee, MSLAW will cancel your disbursement in full.
- If you were eligible for earned monies for living expenses and tuition, by canceling your loan you will no longer be eligible for those funds.
- If you withdraw from MSLAW after your Stafford funds have been processed, MSLAW will use the Department of Education's pro-rata refund calculation program to determine the amount of funds to return.
- If an extraordinary circumstance exists (extreme medical condition with documentation), with authorization from the student, MSLAW may in its discretion return your loan minus any refunds received by the student.

Please contact Kathy Perry in the Financial Aid Office to obtain the application materials or to inquire about any of MSLAW's policies. You may fax your request to (978) 681-6330, call (978) 681-0800 ext. 140, or e-mail Ms. Perry at Perry@mslaw.edu.

NON-DISCRIMINATION POLICY

Massachusetts School of Law provides equality of opportunity in legal education for all persons including applicants for admission, enrolled students, and graduates, without discrimination or segregation on the grounds of race, color, religion, national origin, sex, age, handicap, disability, or sexual orientation.

ADD/DROP POLICY AND PROCEDURE

Courses may be dropped without academic penalty during the first five weeks of a regular semester and during the first week of a summer semester. After that, a student who fails to complete a course will receive a failing grade or, with the prior permission of the Dean, an incomplete. Courses may be added during the first week of classes during a regular semester, but cannot be added after a summer session begins. After the first week, a student must receive the permission of the Dean to add any course. A course in which an incomplete is obtained during a regular or summer semester must be completed by the end of the next regular semester in which it is given, or the student will receive a failing grade.

STUDENT GRIEVANCES

The overwhelming majority of student grievances received by MSLAW's administration fall into three general categories: requests for tuition refunds after the time for a refund has elapsed, requests for changes in grades, and disciplinary complaints. With respect to tuition refunds and changes in grades, MSLAW's policies and procedures are stated in the catalog. With respect to disciplinary matters arising under the rules and regulations printed at the end of this catalog, MSLAW follows procedures that are available to all students in published form. MSLAW occasionally receives grievances from students concerning other school-related matters, such as parking, school cancellations due to inclement weather, or noise in the portion of the library where students are allowed to talk quietly. MSLAW prefers to address and resolve these issues informally. It therefore encourages its students to speak informally to MSLAW's Dean, Associate Dean, or Assistant Deans about such matters, and the official spoken to will informally take steps he or she deems necessary, if any. If a student wishes to state a grievance formally, then the student shall submit a signed statement to the Dean, detailing the student's concerns. The Dean may then take whatever action, if any, he deems necessary to address the grievance.

DRUG AND ALCOHOL POLICY

The Drug and Alcohol Abuse Prevention Program applies to all students and all employees. The unlawful possession, use, or distribution of illicit drugs or alcohol is strictly prohibited at Massachusetts School of Law. Students and employees not complying with this standard will be subject to institutional sanctions. For a complete list of institutional sanctions and health risks associated with the use and abuse of drugs and alcohol, please ask the Office of Financial Aid.

CAMPUS LAW ENFORCEMENT

MSLAW campus is open to the public. Our hours are M-F 8 AM to 11 PM, SAT. 8 AM to 6:30 PM, SUN. 11 AM to 6:30 PM. Because the building is open to the public, it is very important to keep all valuables within sight. MSLAW is not responsible for any items lost or stolen.

In the event of a criminal action or other emergency, call 911 immediately. All criminal actions should be reported to Dean Michael L. Coyne or any security officer on the premises. For more information regarding campus crime rates, please make all inquiries to the Office of Financial Aid.

POLICY AGAINST SEXUAL HARASSMENT

The Massachusetts School of Law takes the firmest possible stand against sexual harassment of its students and staff. Sexual harassment is a form of gender discrimination and violates both Title VII of the Civil Rights Act of 1964, as well as many state laws, including, in Massachusetts, General Laws ch. 151B. The school's written policy is available for inspection. For more details, please inquire in the Office of Financial Aid. The term "sexual assault" refers to rape or sexual intercourse against one's will, or any unwanted physical contact of a sexual nature. An assault can happen anywhere:

- You may know your assailant well, or your assailant may be someone you have never met or seen before.
- If you are sexually assaulted, get to a safe place immediately. If an assault occurs at MSLAW, notify any staff member or professor and immediately telephone the Andover Police at 978-470-3766; they are trained to preserve evidence for the proof of a criminal offense. Do this even if you do not know if you will press charges.
- A sexual assault is a criminal offense. The investigation of all assaults will be conducted by the Andover Police Department. If the assault occurred outside of Andover, notify the police department of the jurisdiction in which the assault took place. The assault need not take place at MSLAW or in Andover to receive counseling referrals or other support from MSLAW.
- If the assailant is an MSLAW student, staff, or faculty member who sexually assaults another MSLAW student, staff, or faculty member and is found guilty of charges associated with this sexual assault, he or she will be expelled or terminated. Because of the nature of this crime, if the victim requests, in writing, a leave of absence or change in his or her academic schedule while the investigation or trial or both are on-going, MSLAW will accommodate these requests as long as they do not violate the accused assailant's rights.
- The victim must formally request in writing that MSLAW should proceed under rule number nine of its code of conduct.
- A few of the nearby counseling centers are the following: Family Services Inc.: 978.683.9505, Victim/Witness Assistance: 978.683.4300, Merrimack Valley Legal Service: 978.687.1177. If you need help notifying the local police departments, hospitals, or other family members, MSLAW's staff is available.

Massachusetts School of Law has an active career services office. It both helps students gain legal experience while they are in school and assists them in preparing for the job search.

The career services staff are available to review résumés, discuss personal job searches, and set up mock interviews. A student can stop by at any time to set up an appointment.

Summary of Services:

The Career Services Office is located at the entrance to the law library. Outside the office on the wall is a bulletin board that is kept current with part-time and full-time legal internships. You can also find information about clerkships, CASA (Court Appointed Special Advocate programs), and seminar information on specific practice areas.

All information posted on the boards is also available on the MSLAW web site at mslaw.edu/career-services.

The career service office also stacks volumes of resources available to all students in reference to career services, résumé building, career choices, interview techniques, networking skills and career planning

Most internship opportunities are directed toward second and third year law students. However, there are some law firms that will take first year students as interns to handle duties such as client intake, maintaining client files, and other general office duties. There are also general job postings for the benefit of first year law students who do not yet have the research experience that is generally required for full legal internships.
