

Alianna Persaud - SBA Executor

My name is Alianna Persaud, a first-year student at Massachusetts School of Law. I am running for the Executor position for the Student Bar Association. My goal is to network, gain knowledge, problem-solve, public speaking and help others with the same goals as me to graduate and pass the bar. In Undergraduate, I was highly active on campus being a part of four different organizations serving different roles on the executive boards such as Vice President and Secretary. I also volunteered on a daily basis to help around campus if a Professor needed help or to help the community in need. Through my past experiences, I would like if the students of MSLAW would allow me to continue to contribute new ideas to this organization such as collaborating with different clubs on campus to spread more awareness, diversity and bring students together through events. I would like to help every student to feel that they are not facing law school alone and that help is always here through this organization whether it is socially, helping prepare for class or even an exam. Fun fact: I am from New York City and looking forward to moving to Massachusetts in the Fall. Beyond thrilled to meet everyone in person and if you choose to vote for me, I will try my best to give you a reason to be excited to attend classes in person again. Thank you for taking the time out of your day to vote!
