Re: Examsoft

Good Day

This email serves as an update to a change in Examsoft Policy. Be advised that from now on, students must download the exam at least 24 hours before the start of the examination. If you do have an issue with the quiz or exam, you must inform your professor and me beforehand, at least 24 hours before the start of the examination. If it concerns an accommodation issue, please also let Professor Kaldis know.

If you fail to do so (including downloading the examination), if you cannot access the exam, you may receive a 0.

If you have any questions or concerns, please feel to reach out to me, and I will be happy to assist in any way I can.

Best

Daniel Harayda
